Last week, we said sayonara to 15 students and 4 staff members from our sister school in Japan. This year marked the 24th year of the sister school relationship between Gamagori Higashi Senior High School and Rosebud Secondary College.

The Victorian Study Tour (or VST) is always an exciting time for both the Japanese students and Australian students. The students and staff from Gamagori Higashi Senior High School participated in many activities during their one week stay, including a cooking class with Lynette Hipwell, and a visit to Moonlit Sanctuary in Pearcedale. They also had the challenge of performing their national anthem in front of the school at our whole school assembly, which was brilliant.

The interaction between the Australian and Japanese students in language classes was the most valuable experience for all involved. The students from both countries practised their language skills and our students interviewed the Japanese students about life in Japan. The Japanese students also taught our students a dance popular in Japan, performed by J-Pop group “AKB48”. This year we held our inaugural “Year 7 Japanese Activity Day”, which was a huge success.

A huge thank you goes to our wonderful host families, without whom this exchange program would not be the success that it is. To the Chambers, Lee, Mathieson, Wall, Clarke, Berndt, Sturzaker, Stones, Bryant, Walker, Fankhauser, Morone, Lloyd, Hafey-Bagg and Jones families, thank you for opening your homes and your hearts and sharing your life with a Japanese student for one week. Thank you also to Mr Seletto, Ms Masuda & Mr Marsland, Mr Brooke and Mrs Downing for hosting the Gamagori staff.

We look forward to a continued long and healthy sister school program. Although our cultures and languages are very different, our two schools work closely together to reduce the distances between Australia and Japan. Exchanges like this are extremely beneficial in bringing people from both sides of the world together and do indeed show that people are the same everywhere.

On September 10th this year, 16 students from our school will be participating in the reciprocal visit to Japan. We look forward to hearing about their amazing adventure later in the year.
On Tuesday 5th August, students from 7A, 7B and 7G participated in a full day of Japanese activities with the students from our sister school, Gamagori Higashi Senior High School.

Students “boarded the plane to Japan” in L03, watching a Japanese airplane safety demonstration, and a tourism video about Japan. From there, students were required to show their “passports” to the Japanese students, who asked them simple questions in Japanese. If the students answered correctly, they were able to pass “customs” and get a stamp in their “passport”.

During the day, students rotated through three different activities—Japanese Cooking; Shodo (Japanese calligraphy); and Shopping at a Konbini (convenience store). The Year 7 students were encouraged to use as much Japanese as possible and interact with the visiting Japanese students. From each of the activity stations, students collected a variety of resources and realia for their briefcases. During the next Japanese class, students wrote a postcard reflecting on the day.

Have a look at Hannah’s postcard to the Year 7 Co-ordinators below.

“I had a great time.” - Jemma

“We had lots of fun.” - Cassidy

“The students were really friendly” - Miki
Hello to the Rosebud Secondary College community. It has been probably the busiest few weeks of the years with many important events occurring in the school. We have had visitors from our sister school, Medieval Day, sport and L4L camps all in the last week. It gives you some idea of the range of opportunities afforded to our students while at Rosebud Secondary College.

Last week, I had the opportunity to attend the First Shot commemorative event with students from our school. We had eighteen selected Year 7 students and four school captains in our group. When the students arrived they were shown a series of videos that explained the significance of the event and the day 100 years ago when the first shot of WW1 was fired from Fort Nepean. The event was held in glorious sunshine with many dignitaries present including the Governor of Victoria, Alex Chernov and various politicians. It will be a day to remember for those present especially in the context of the importance of this period 100 years on. The students were a credit to the school in the way they presented themselves and participated.

On Thursday 31st July, I attended the Wakakirri event at the Frankston Arts Centre. Wakakirri is a National Festival that celebrates learning via the creation and sharing of stories through performance. It was a pleasure to see such fantastic talent on display from a number of country and local high schools. Our dance adapted a story based on the Salem witch trials from 1692. This was powerfully interpreted by our students in a stunning performance which was awarded "Best Adapted Story Award" which puts us into the finals later this term. Our students also won the "Best Public Speaking Award" for their explanation of the performance. We wish our students the best of luck in the final. I would like to thanks Brea Low and Anthea Mackenzie for leading this activity.

It was a pleasure to welcome the fifteen students and four staff from our Japanese sister school, Gamgori Higashi Senior High School for a one week visit. We officially welcomed Mr Hideo Morishima, Vice Principal and other staff and students at an afternoon tea on Wednesday 30th July. The Japanese students each introduced themselves and were partnered with their host families. We formally introduced our visitors at the whole assembly the following day. This was a great opportunity for me to speak to our students about the importance of understanding our place in the world through a range of cultural experiences and interactions. The students then participated in a range of school based activities and local excursions. We held a farewell last week and it was amazing to see just how strongly relationships had developed in a short time. We look forward to our students and staff visiting Japan in a few months as part of this sister school relationship. I would like to thank Sherryn Downing and the LOTE Department for their organisation and effort in supporting this visit.

Last Tuesday we held the annual Medieval Day. This was a great opportunity to bring real relevance and fun to the study of history at our school. It was great to see so many staff and students get into the spirit of the day and participate so positively. I would like to thank Jen Feldhofer and the Humanities staff for organising this important day.

Well done to Taylor Hutchins 8I, who has been selected for the Victorian team in gymnastics. It is a credit to Taylor for her dedication in achieving this along with the demands of schooling. We wish Taylor the best of luck at the national championships in Tasmania.

Recently we have been holding course counselling for students. This is a critical part of the process in helping select the right pathway for your child. I would encourage you to support your child by strongly encouraging them to set goals and work towards the pathway they have chosen. If you have any questions regarding course selection please contact the Careers Department or a Year Level Coordinator to discuss.

Organisational matters:
18th- 22nd August: Book week & Science week; events at the College.
YEAR 10 HISTORY
This week our Year 10 History students headed up to Melbourne to visit the Shrine of Remembrance.
Some students had the opportunity to dress up in some WW1 uniforms.

TALENTED ROSEBUD SECONDARY COLLEGE STUDENTS
ROCK ON AT THE SEAWINDS HUB LAUNCH!
On Friday 8th August the Principal, Andrew Nicholls and Assistant Principal, Geoff Seletto attended the launching of three projects at the Seawinds Hub as part of the Community Renewal Program.

The Hon. Martin Dixon announced funding of $133,000.00 for Hands On Learning, Festival for Healthy Living and a Tootgarook Wetlands Reserve Youth Lead Revitalisation Project.

All these projects will involve students from the school. Along with the announcement, three of our talented young students played at the opening.

Pictured are Riley Nigro, Finn Swayn and Liam O’Brien with Martin Dixon.
CONGRATULATIONS to our Wakakirri students on their amazing performance at Frankston Arts Centre on Thursday 31st July. Fifty-five Rosebud Secondary College students performed their piece “Accused” competing against seven other schools from around the state.

The Waka team had a great day rehearsing and preparing for the performance evening. Their performance was AMAZING! Each student performed with expression, dedication and technical accuracy. The story of the piece was clear and the audience was captured by the brilliance of the performance. The judges were extremely impressed with the performance from our students, mentioning that “Rosebud Secondary College has a new professional dance company” and continuing to describe our students as highly skilled.

While the evening did not finish with major awards being presented, we did receive an award for Public Speaking. Received on behalf of Alexandra Dellaportas and Sophie Armstrong, after their passionate description of the piece and the process behind it. After a weekend of celebrating and reflecting on the piece, the students anxiously awaited their fate and whether their performance would make it through to the grand final. The great news came through on Tuesday that the Rosebud Secondary College Wakakirri team won the award for BEST ADAPTED STORY and will be performing again at Hamer Hall on Friday 19th September. They have also been nominated for several other awards including choreography, drama production, combination of dancing and acting, storytelling, direction and dance production.

What a huge achievement for all students involved. We cannot wait to perform this piece again.

For information on tickets to this event please contact the front office.
THE GREAT BOOK SWAP

Do you have any books your children loved but are no longer reading?

To celebrate Indigenous Literacy Day on Wednesday 3rd September, our school is participating in the Great Book Swap.

We are asking families to bring in any pre-loved books along with a gold coin donation. Ideally books should be not just an unwanted item but a book that you think someone else would enjoy as much as your child did. An initiative of the Indigenous Literacy Foundation, funds raised will support improvement of literacy development of Indigenous children in remote and isolated regions of Australia.

Find out more information about the Great Book Swap:

---

Important Information about VET in 2015

With the Course Counselling process nearing completion across Years 9 -12, this is a reminder notice to all students who will be in Year 10, 11 and 12 in 2015, about the enrolment requirements for VET (Vocational & Education Training).

All students who are planning to include an Internal VET (offered at Rosebud Secondary College) OR planning to enrol in an External VET (a program run at another location or by a specialist Training Organisation) should have handed in an extra Expression of Interest Form into the Careers Office.

VCAL students are also part of this enrolment process, including Year 11 students proceeding into Year 12 VCAL.

Internal VET- a grey coloured form
External VET – a cream coloured form

Note: The only Internal VET Programs offered by Rosebud Secondary College are:
- Certificate II in Creative Industries
- Certificate III in Media
- Certificate III in Sport & Recreation
- Certificate II in Information, Digital Media & Technology

A $50 deposit should also have been paid to the College Cashier. Over the next 10 -14 days all VET Expression of Interest Forms will be processed and a letter sent home via mail to students who have submitted a form outlining the costs of their chosen program and the payment dates and options.

Students will NOT be enrolled in any VET program unless they have submitted an Expression of Interest Form and made the payments outlined in the letter. The information on the Expression of Interest Forms is essential, as all enrolments are completed through software programs or online portals.

Extra Expression of Interest Forms are available from The Careers Office if required.
If you have any concerns or queries please direct your inquiry to The Careers Office and ask for Janette Pearman, Melinda King OR Jackie Voigt.
Do you have a child with a disability about to move from Primary to Secondary school?

New information and advice is available to support children and young people with additional or complex needs that arise from disability or difficulties in learning transition from primary to secondary school.

Transitioning from primary to secondary school can present a significant change and adjustment in the lives of children and young people and for their parents, carers or guardians. The new resource provides a framework for transitioning students, a suggested timeline for key planning activities and links to additional information.

Find out more information here:

Hands on Learning (HOL) will be starting up again here at Rosebud Secondary over the next few weeks. The HOL program is designed to support students in their education. One day per week students will attend HOL and get involved in a broad range of practical tasks around the school campus as well as community projects outside the school.

Hands on learning will have a base in the shed at the back of the Basket Ball stadium and will be run by Franz Mahr (below left) and Liam Kelly (below right) who between them have a great range of skills that they would like to pass onto the Rosebud Secondary College students.

Franz has an environmental background, working in pest plant and animal control. He has worked as a laboratory technician, worked within the building industry and also has a broad range of agricultural skills.

Liam has a trade and industrial design background, has taught at RMIT University, TAFE colleges and several other HOL schools.

Both Franz and Liam share a passion for sustainability, the environment, education and supporting young people.

For more information on the Hands on Learning program visit the Rosebud Secondary College website and click on the “Facilities and Programs” tab.
http://www.rsc.vic.edu.au/
The theme of the week is Connect to Reading – Reading to Connect. We love this theme in the Library because we really do believe that reading allows us to connect to ourselves and each other through the power of stories. We have planned a whole host of activities to celebrate all things reading. Here’s just a taste of what’s to come:

Monday 18th August: The Library Sessions – an Open Mic session in the Library at lunchtime. Original songs or interpretations performed by RSC students.

Tuesday 19th August: A visit from famous children’s author, Hazel Edwards OAM. Hazel will speak to all of our Year 7 students, plus some special guests from within the community; run writing workshops; and host a special invite only book launch for her new book Trail Magic.

Wednesday 20th and Thursday 21st August: The Living Library returns. Who will you borrow this year? Will it be the First Lady, the Artist, the Vietnam Veteran, the Principal or someone else entirely? The lucky students from 7A, 7B, 7C, 7D, 8B, 8F, 9D and the Year 10 Advanced English class will get to visit this unique Library and choose their favourite Living Book to borrow.

Friday 22nd August: Year 7 Literacy and Numeracy Day. Year 7s dress up as famous literary/film characters or mathematicians and get involved in a whole host of fun activities.

ALL WEEK: Look out for the English teachers in their funny t-shirts, check out what each teacher’s book week badge says, go on a blind date with a book, DEAR time (Drop Everything And Read), Match the Teacher to their favourite childhood story competition (with a great prize voucher from Antipodes up for grabs!), Pastoral Care Storytime and lots more! Visit the Library to find out what you can get involved in.

Happy reading! Ms Jeacle and the Library Team

Literacy & Numeracy Day 2014

Year 7 students will be treated to a day of fun to celebrate Literacy and Numeracy Week.

When: Friday 22nd August, 2014
Where: RSC Year 7 area.
Time: Normal school day.
Dress Code: Full school uniform OR Dress as a book, movie or numeracy character.
Prizes: For best costume.
We will celebrate Literacy and Numeracy with a day filled with games and activities.
STUDENTS WHO ARE UNWELL

A REMINDER TO ALL PARENTS (AND STUDENTS TO NOTE). IF YOUR CHILD IS UNWELL THEY ARE TO GO TO SICK BAY FIRST

STUDENTS ARE NOT TO PHONE THEIR PARENTS. STUDENTS WHO DO WILL BE IN BREACH OF SCHOOL RULES AND THIS WILL LEAD TO CONFISCATION OF MOBILE PHONES

CAZ O’BRIEN, SICK BAY COORDINATOR, WILL CALL PARENTS IF THEIR STUDENT IS UNWELL AND NEEDS TO GO HOME

ROSEBUD SECONDARY COLLEGE HAS A CLEAR MOBILE PHONE POLICY: Unless directed by a teacher for a specific education purpose, all mobile devices including MP3 players & mobile phones should be switched OFF at school.

Where a teachers direction is not followed, electronic devices will be taken for the day and returned at the end of the day.

In the case of repeated transgressions the device will be returned to a parent.
HEAD LICE

The information contained here will help you treat and control head lice.
Head lice are small, wingless, blood sucking insects. Their colour varies from whitish-brown to reddish-brown. Head lice only survive on humans. If isolated from the head they die very quickly (usually within 24 hours).

People get head lice from direct hair to hair contact with another person who has head lice. Head lice do not have wings or jumping legs so they cannot fly or jump from head to head. They can only crawl. If lice or eggs are found, the hair should be treated.
If the person has been treated recently and you only find empty hatched eggs, you may not have to treat, as the empty eggs could be from a previous episode.

Head lice eggs
Head lice eggs are small (the size of a pinhead) and oval. A live egg will ‘pop’ when squashed between fingernails. Dead eggs have crumpled sides and hatched eggs look like tiny boiled eggs with their tops cut off.

Regulations
According to the Public Health and Wellbeing Regulations 2009, children with head lice can be readmitted to school or children’s service centres after treatment has commenced. The department recommends a child with head lice can be treated one evening and return to school or children’s service centres the next day, even if there are still some eggs present. There is no need to miss school or childcare because of Head lice.

Preventing head lice
Check your child’s head regularly with comb and conditioner. There is no research to prove that chemical or herbal therapies can prevent head lice.

The following website offers further information: www.health.vic.gov.au/headlice

SECOND HAND SCHOOL UNIFORMS FOR WELFARE DEPARTMENT

The Welfare Department would appreciate donations of pre-loved school polo shirts and other school uniform items in good condition.

These items are invaluable when all sorts of little emergencies arise. Please leave your clothing donations at the front office.

THANK YOU FOR YOUR SUPPORT.

Moving House?

Please read the article ‘Bus Fares’ as students who move house may become ineligible travellers and be required to pay bus fares.

Don’t forget to let the college know of any changes to your contact details.
Bus Fares

The Department of Education and Early Childhood Development (DEECD) and Public transport Victoria (PTV) who jointly provide and administer the college contract buses have reiterated their intention to have schools collect fares on a term basis from ineligible travellers. Ineligible travellers are:

1. Students residing outside the designated catchment area for our college (‘travellers outside of zone’); for example, students who travel from the townships of Mt Martha, Safety Beach, Balnarring and Finders.
2. Students residing less than 4.8km of the college, mostly from the townships of Tootgarook, McCrae Rosebud/Rosebud West and some of the students from Rosebud South (Waterfall Gully Rd and Bayview Rd areas).

The college has not previously collected fares however we are obliged to do so. The arrangements for 2014 and into the future will be as follows:

- Rosebud SC students who commenced in 2013 or earlier and were already using the bus in 2013 will continue to have free access to that service despite them not being eligible for free travel. The free travel will continue until they complete secondary school or their circumstances change (ie move house and require a different bus). This is the standard grandfathering arrangement. Families will have to acknowledge however that when the grandfathering arrangement is completed then PTV will have discretion to cancel the service as per the normal school bus policy. (This is the current position but may be changed based on direction from either PTV or DEECD.)
- Students residing outside the school bus zone, who wish to attend Rosebud Secondary College can obviously choose to do so under the Government’s parental choice arrangements but are not eligible for free school bus travel. They can access the school bus if there are spare seats and they pay the appropriate fare. The families of these students would also need to acknowledge that access to the bus (on a fare paying basis) is only available on a term-to-term basis – if eligible students enrol at Rosebud Secondary College, (ie living in Rosebud Secondary College Bus Zone), then they will have priority for seats. The families also have to acknowledge that when the grandfathering arrangement is completed then PTV will have the discretion to cancel the service as per the normal school bus policy.
- Siblings of existing students who are new to the College are treated the same as any other new student who resides outside of the Rosebud Secondary College Bus Zone – ie. No free travel, must pay fare, no guaranteed service etc.

In short, any student who is an ineligible traveller and was first enrolled at Rosebud SC for the 2014 academic year or changes their address, regardless of their year level, will be required to pay a fare for travel.

We understand that some families may have shared living arrangements, may require access to more than one bus and not use a particular bus service every day of the term. Unfortunately fare paying requirements will apply to additional bus services that are utilised.

The College is required to raise a charge for an ineligible student’s travel according to the formula supplied by PTV. This charge is listed below and will be invoiced on a term basis.

We will continue to do everything possible to assist students with their travel arrangements to the college within the constraints outlined above.

Further information about the School Bus Program may be found online at: http://www.education.vic.gov.au/school/parents/secondary/Pages/schooltravel.aspx?Redirect=2

SENIOR BOYS FOOTBALL
PRELIMINARY FINALS

After comprehensive victories against local schools on the Mornington Peninsula it was a match against Patterson River SC at a muddy and wet ground at Bonbeach FC which stood in the way of a very committed and talented Rosebud SC team.

A close first half with both teams on two goals. This meant that the second half would be a huge challenge for the boys. Rosebud SC changed another gear and won by 13 points in a hard and physical game.

Thanks to Year 9 students Tyson Goodwin and Joel Day who assisted in official duties on the day. Great teamwork.

RSC 4.4.28 points defeated Patterson River SC 2.3.15 points
RSC Goal Scorers: Stoffels 1, Towers 1, Stephenson 1, Hepner 1
Best Players: Harbinson, Gladman, Hepner, Stoffels,

SOUTHERN METRO REGION SENIOR BOYS FINAL

Rosebud Senior Boys Football battle it out to play in the State Final.
Placed in Pool A, Rosebud Secondary Senior Boys Football team had matches against Koo Wee Rup SC and Pakenham SC. The carnival was played at Carrum Football Club with a very strong wind blowing straight down the ground.

Two hard fought victories against these teams meant Rosebud was playing the winning team from Pool B - Parkdale SC in the Grand Final. The winning team would go straight to the State Finals! Alas Parkdale SC were too strong and won the game by 6 goals. They had an awesome team. An all Australian player who will most likely be picked in the top ten picks in this year’s player draft, dominated the game. Just ask Rosebud SC Ruckman Kiean Wicks who had this player take mark of the year on Kiean's shoulders. So close to going to the State Finals yet this RSC team was a very skilful, determined and team orientated group of players in which we are proud of.

Match Details:
RSC 3.7.25 points defeated Koo Wee Rup SC 2.2.14 points
RSC Goal Scorers: Kleverkamp 1, Gladman 1, Stephenson 1
Best Players: Gladman, Stoffels, Stephenson, Harbinson, Bishop

RSC 6.5.41 points defeated Pakenham SC 3.4.22 points
RSC Goal Scorers: Kleverkamp 1, Gibson 1, O’Connor, Stoffels 1, Taylor 1, Hustwaite 1
Best Players: Gladman, Gibson, Wicks, Smith

RSC 1.0.6 points defeated by Parkdale SC 7.4.46 points
RSC Goal Scorer: Hustwaite
Best Players: Gladman, Hepner, Harbinson, Towers

Many thanks to Tyson Goodwin 9J and Joel Day 9J who were goal umpire and runner respectively. Also thanks to the players parents who came to assist with scoring and warm up duties. Greatly appreciated.

Mr Crook
YEAR 8 FUTSAL : INDOOR SOCCER

The Girls team and the Boys team both had really successful campaigns at their respective competitions held last week.

The girls went through their matches undefeated and finished above Mornington S.C. on superior goal difference.

The boys played extremely well also, but went down narrowly in two of their matches and subsequently finished third.

Team members from both teams acquitted themselves really well with great team ethic and solid, enthusiastic and effective patterns of play.

Members of the Premier Girls team are Kaylah Abbott, Rachael Carter, Daisy Collett, Rosin Goggin, Emily Opie, Billee Ruckwood, Hannah Scott and Emily Truscott.

Members of the Boys team are Tim Anderson, Kai Dennis, Sean Donoghue, Nik Ellen, Jared Hayman-Hall, Kai Sin Le, Charles Olsen and Alex Sword-Gusmao.

Well done to all members of both teams for the fine way they fought out their games.
Plenty to look forward to next year.

Pat Egan

TABLE TENNIS TEAMS WIN DISTRICT CHAMPIONSHIPS

Congratulations to the Year 7 and 8 girls table tennis teams who have both convincingly won the District Championships in the last two weeks. Both teams progressed through to the next round of competition without losing a match in their respective competitions. The Year 7 boys team (3rd overall) and Year 8 boys team (2nd overall) also fared extremely well but lost close matches to teams from Mornington SC who were the overall winners in their sections.

Well done!

Mr Verwey

Year 8 Boys & Girls from left to right:- Mardi Dawson, Lily Wills, Sophie Taylor, Reece Jeffery, Mitchell Humphrey, Aaron Colombo, Lily Mandile, Shae Evans, Lily Tanaka, Cameron Chrystie and Harry Jensen.

Year 7 Girls from left to right:- Alana Sango, Bridget Gianchino, Sara Leah, Katelyn Brownlie and Alysia Morgan.
SPORT NEWS cont'd...

HOCKEY RESULTS

YEAR 8

Congratulations to the Year 8 hockey teams on playing some brilliant hockey last week. Despite their amazing efforts, both teams came second on the day. The competition was very close and all of our players should be very proud of their efforts.

YEAR 7

The Year 7 boys won their competition this week after a nil all draw with Dromana and then winning 2-1 over Mornington. The team had a nervous wait during the final game, needing Mornington to either defeat or draw with Dromana. A win to Dromana would have resulted in a penalty shootout. Fortunately there was a draw and no shootout was necessary….not that our boys would have lost it! All of the boys played brilliantly, earning high praise from the umpires for their excellent sportsmanship and fair play.

Well done to Miko who managed to cover the entire ground for the whole game, and to Zack and Dylan for being excellent goalies, and also scoring our goals. Captain Sam should also be congratulated on his inspiring leadership. The rest of the team was also awesome: Josh (B2), Reece, Jacob, Nathan, Blake, Fin, Ethan and Riley.

Preliminary Finals for all Term 3 winners will be held in the week 13th-17th October; exact dates have not been announced yet.

Preparation for the Interschool Athletics has begun with staff and athletes meeting at 7:30am on Tuesdays and Thursdays for training sessions in all events. Breakfast can then be enjoyed afterwards at the Breakfast Club.

The Interschool Athletics are at Ballam Park on 4th September.

INTERSCHOOL SPORT PARTICIPATION FEE - $25.00

The College is very supportive of our students’ participation in Interschool Sport, believing that this broadens their social and learning experiences.

The Interschool Sport Program is expensive to run due to the ever increasing costs of buses, equipment and casual relief teachers.

As this program is one of our optional extras, the costs of participating in it are required to be met by parents/guardians. The contribution required to pay is $25.00 for the year. This goes towards helping to cover some of the costs of running the program. If you would like to discuss any details about this program please feel free to call Vicki at the College on 5986 8595.

What is Hands On Learning?

Hands On Learning is an education support program to help young people get the most out of school. One day a week HOL students attend a 'work place' within the school and do practical jobs such as building, landscaping and cooking. This compliments the work they do in the classroom and increases self esteem and a sense of belonging.

What would I do?

The question is, what CAN you do?

Everyone can do something.
You may like to work in the garden, cook, build, design, landscape, work on mechanical things... the possibilities are endless.

If you'd like to help out students under the guidance and support of the HOL team - Liam and Franz, or if you have any spare materials or equipment - give us a call on 5986 8595
