2.1.1 The student must bring portable devices fully charged to school every day. Power cords should be left at home.

2.2.3 For devices insured through iBroker, in the case of suspected theft, a police report must be attained by the family and a copy of the report provided to the school in a timely manner.

2.2.4 For devices NOT insured through iBroker, in the case of suspected theft, the parent/carer is wholly responsible.

2.2.5 For devices insured through iBroker, in the case of loss or accidental damage, RSC must be informed of the loss or damage immediately, where it will assist on the parent’s/carer’s behalf to lodge an insurance claim with iBroker. The insurance excess must be paid by the parent for the claim to proceed.

2.2.6 For devices NOT insured through iBroker, in the case of loss or accidental damage, the parent/carer is wholly responsible.

Acceptable Use Policy

Rosebud Secondary College
Acceptable Use Agreement for BYODs, the Internet and Digital Technologies

Rosebud Secondary College believes the teaching of cybersecurity and responsible online behaviour is essential in the lives of students and is best taught in partnership between home and school. 21st century students spend increasing amounts of time online, learning and collaborating. To be safe online and to gain the greatest benefit from the opportunities provided through an online environment, students need to do the right thing by themselves and others online, particularly when no one is watching.

Safe and responsible behaviour is explicitly taught at RSC and parents/carers are requested to reinforce this behaviour at home. Some online activities are illegal and as such will be reported to police.
