A Great New Way to Keep in Touch.

Rosebud Secondary College has subscribed to a school – parent mobile phone service which will hold valuable information accessed via iPhones and Smartphones.

Following in the newsletter is a step by step guide to downloading this free app, which will not only enable you to view events, newsletters and many other valuable items but most importantly it will send “push notifications” to your phone to alert you to any urgent messages or information updates.

This app will make you instantly aware for example if we have had to change a sports day through poor weather, or if a bus is delayed back from an excursion etc.

We would hope that as many parents and students who have either an iPhone or Smartphone, do download this free app as we aim to further improve our communications between school and home.

Hello to the Rosebud Secondary College community. Welcome back to the new school year. Last week I spoke to the students about making the most out this year and their time at Rosebud Secondary College. It is important to start the year off on the right note, and I encourage you to support your child in partnership with the school. At this assembly we also welcomed back the following teaching staff: Leah Wills, Keiji Fujimoto and Kirsten Naylor.

Last year we were very pleased with our VCE and VCAL results and celebrated with families at the valedictory dinner held at the New Peninsula Centre. This was a wonderful event and we were able to highlight the great range of achievement from our VCE and VCAL students. There were eight students who scored 90+ ATARS and 21 students with an 80+ ATARS. Our Dux with a score of 98.0 was Jake Gurnett. We wish our class of 2014 the best of luck into the future. I would like to thank Jane Gibson, Drew King and Andrew Glover who coordinated the night and the other staff who assisted in various roles.

During term one of each year College Council elections are held. There are currently two parent positions available on Council and I encourage you to consider this important role. College Council meet eight times per year on a Monday night starting at 5.15pm. Nominations close on Friday 20th February. An election will be held if required from Wednesday 4th March. More information can be found at: http://www.education.vic.gov.au/school/parents/involve/Pages/schoolcouncilguide.aspx

This week I attended the Year 12 Study Conference held at Monash University. This was a great chance to address the students regarding their final year at school and highlight the difference a Year 12 completion can make to their future. In my opening address, I outlined some of the challenges facing our young people and the skills and qualifications required to enter the future workforce. I highlighted that while it is important for students to focus on the main goal of school completion they also need to maintain a good balance in what they do. During my address, I referenced a couple of compelling reports regarding young people which I have listed below. I am sure the three days will provide a great start for our Year 12 students. I would like to thank the Senior Sub School team who coordinated the conference.

This year we are launching our new website which will also include a Facebook page. There has been much work behind the scenes in getting this ready. The aim of the new site is to provide clearer and more concise information and more up to date news on events and activities happening in the school and community. Check out the News and Prin Blog features on the new site at http://www.rsc.vic.edu.au/

During the holiday period we were saddened to hear of the death of the crossing supervisor Michael Beckett. You may have seen Michael’s friendly face while driving past the school or while at the crossing over the last seven years. Michael’s family would like to express their thanks to all the staff and community for their very kind wishes, gestures and messages of support during this difficult time. A special thanks to the people who placed flowers and words of support at the crossing.

During the start of this year we always reinforce school rules with regard to student safety. Students are reminded that we are a “hands off” school and expect students to respect each other and not engage in behaviour such as bullying or violence. The College has very strict expectations and consequences with regard to any breach of these rules which are outlined in the College Handbook and Student Planner. The College takes all matters very seriously and will follow up any such incidents within school or travelling to or from school.

Organisational matters

Year 7 Parent information evening will be held on Tuesday 17th February. There will be a BBQ at 4.30pm and an information session at 5.00pm in the SPAC. This is a great opportunity for you to meet the team working with our Year 7 students.

Swimming sports will be held on Tuesday 10th February at the Crib Point Pool.

School photos will be taken on 19th-20th February.

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:
• A mandated elected Parent category – more than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.
• A mandated elected DEECD employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
• An optional Community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.
Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.
Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year.
However, ballots are only held if more people nominate as candidates than there are positions vacant. In view of this, you might seriously consider
• standing for election as a member of the school council
• encouraging another person to stand for election.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

What do you need to do to stand for election?
The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March. If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Remember
• Ask at the school for help if you would like to stand for election and are not sure what to do
• Consider standing for election to council this year
• Be sure to vote in the elections.

Contact the principal, Mr Andrew Nicholls or Mrs Vicki Eva for further information.
An election is to be conducted for members of the School Council of Rosebud Secondary College

Nomination forms may be obtained from the College and must be lodged by 4:00pm on Friday 20\textsuperscript{th} February. Please contact Vicki Eva in the General Office.

The ballot will close at 4:00pm on Friday 13\textsuperscript{th} March 2015

Following the closing of nominations a list of the nominations received will be posted at the College.

The terms of office, membership categories and number of positions in each membership category open for election are as follows:

<table>
<thead>
<tr>
<th>MEMBERSHIP CATEGORY</th>
<th>TERM OF OFFICE</th>
<th>NUMBER OF POSITIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Parent member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>2</td>
</tr>
<tr>
<td>DEECD employee member</td>
<td>From the day after the date of the declaration of the poll in 2014 to and inclusive of the date of the declaration of the poll in 2016</td>
<td>1</td>
</tr>
</tbody>
</table>

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the College.

YEAR 12 PARENT EVENING:
Thursday February 19th 6:00pm-7:00pm
Southern Peninsula Performing Arts Centre

GUEST SPEAKER: Mark Dobson
Mark was the keynote speaker at the recent year twelve Conference held at Monash University Frankston Peninsula Campus. His inspirational delivery to the year twelve students has motivated them to start the year with energy and enthusiasm. Mark will also be working with the students later in the year as the build up to exams and life after school draws near.

We would like to take this opportunity to invite you to come and listen to Mark in an evening where he will provide support and advice to you as parents and guardians

About Mark Dobson
Mark Dobson is a performance coach, advising a host of athletes at a national and international level. Testament to his skill set is that in the lead up to the Beijing Olympics Mark spent one year advising Australian Olympic Swimming Coach Ian Pope, coach of Olympic medallists Grant Hackett, Matt Target and Patrick Murphy. Mark also coaches USA Ski Champion and Winter X Games medallist Colby West and has advised elite athletes such as Australian Olympic Steeplechase runner Victoria Mitchell, international trampolinist Christie Jenkins, Australian Memory Champion Tensel Ali and a host of others at the top of their fields.

In his recent book Parenting Freak Ability, Mark interviewed the families of Australia’s great sporting families to discover what was different in their homes. Families Mark interviewed included surnames such as Gaze, Hackett, Buckley, Aloisi, Ginn, Sinclair and Siddle. This knowledge, combined with his coaching skill makes his presentations potent with inspiration and strategy.

This is a fantastic opportunity to hear Mark speak and to get advice on how to assist your son/daughter during what will be an important, and at times stressful, year in their lives. We look forward to seeing you there.

Yours Sincerely
Mr. Felix Patton, Mr. Jason Albress, Mrs. Sherryn Downing and Mr. Pat Egan.

The faces you'll see in the Library this year have only changed a little, with some re-shuffling of positions. Ms Michelle Peck has now assumed the role of Library Manager. She is really looking forward to maintaining all of the operations the Library has previously run, as well as expanding in other areas; such as a new Yr9 RED program! She is also looking forward to working closely with KLAs implementing Guided Inquiry program to assist RSC students with their research.

Miss Samantha Jeacle, who managed the Library over the past few years, will still be involved in the YR 8 RED program but she will be focusing her efforts in the English Department and on the Curriculum Committee. We would like to offer our appreciation to Ms Jeacle for her efforts in the Library and also extend our thanks to Ms Fischer who will be busily engaged in teaching Humanities classes this year.

We'd like to welcome a new Teacher Librarian on board, Ms Nicolle Brigden who has been an RSC English teacher for many years. She is currently undertaking her Master’s in Education – Teacher Librarianship. She will be involved in the Yr8 & 9 RED programs.

Finally, we are really excited to be celebrating the CBCA’s Book Week 70th Anniversary. The Rosebud Secondary Library prides itself on its' excellent fiction collection and we work hard to keep it up to date. We are hoping to host a range of events and activities to further develop the reading culture at RSC. So make sure you are a regular visitor to the Library in 2015, to keep up-to-date with all that's happening.

THREE BIG CHANGES TO THE VACCINE PROGRAM

In 2015 three major changes to the vaccine program will impact on parents of secondary school students:

1. The Mornington Peninsula Shire Council’s immunisation service may contact you about the secondary school vaccine program. Schools have been authorised to provide parent contact details to local councils for this purpose. Contact the school office on 5986 8595 by 28 February 2015 if you do not want your contact details given to the Mornington Peninsula Shire Council.

2. In 2015 only, the vaccine that protects against diphtheria, tetanus and whooping cough will be offered to all students in Years 7, 8, 9 and 10. From 2016, this vaccine will be offered to Year 7 students only. This will provide earlier protection from these diseases.

3. The time-limited human papillomavirus (HPV) vaccine program for Year 9 boys was completed in December 2014. HPV vaccine will continue to be offered to all students (both male and female) in Year 7 from 2015.

Look out for the vaccine consent form/s coming home from school with your child. You need to read, complete and return the form/s regardless of whether your child is being immunised at school.

To learn more about the changes, the diseases, the vaccines, or how you can prepare your child for vaccination go to immunehero.health.vic.gov.au

STUDENTS WHO ARE UNWELL
Senior students set themselves up for success.

Our Year 12 students participated in the three-day Study Conference. Held at Monash University Peninsula campus and at school. The students listened to motivational guest speakers, and past Rosebud SC students for a range of tips and tricks to achieve success in their VCE and VCAL courses.

Mark Dobson, one of the guest speakers, will also be presenting at Rosebud SC on February 19th at 6pm, for parents of our Year 12 students. This is a fantastic opportunity to get advice on how to assist your son / daughter during what will be an important, and a times stressful, year in their lives. We hope that many of the parents of Year 12 students can make this valuable night.

We look forward to seeing our students achieve the best they can this year.

WORK EXPERIENCE ORGANISATION FOR 2015.

This is a repeat of information that appeared in the College Newsletter late last year to remind Year 10 students about Work Experience. The dates for Year 10 Work Experience in 2015 is the week of March 16th -20th 2015. Students need to ensure they return the white slip with their personal and employer details to the Careers Office by this Friday, the 6th February.

WHITE CARD (CIC –Construction Induction Card) Training for WORK PLACEMENT & WORK EXPERIENCE STUDENTS IN 2015

Students who are planning to complete Structured Work Placement as part of their Year 10 Work Placement program OR work on a building site for Work Experience are required by Work Cover Australia to hold a White Card (often referred to as CIC). This includes occupations such as carpentry, plumbing, electrical, plastering and landscaping on new building sites.

To enable students to achieve this qualification which relates to “working safely in the construction industry”, Rosebud Secondary College has organised an Accredited Training Organisation to deliver the training at the College on Wednesday 11th February 2015, 9.00 am – 3.30pm. Students need to return the slip below indicating their intention to participate in the training and pay $60 to the College Cashier no later than Friday 6th February 2015. This is a significantly reduced price and will enable students to complete casual and part time work on building sites in the future. The White Card lasts indefinitely.

STUDENTS WHO DO NOT COMPLETE THE WHITE CARD WILL NOT BE ABLE TO UNDERTAKE WORK EXPERIENCE ON BUILDING SITES AS PER DEECD GUIDELINES

The annual House Swimming Sports will be held at the Crib Point Pool on Tuesday 10th February. It will be an all-day activity and buses will leave the college immediately after roll marking and return just before 3 o’clock so that normal end of day arrangements can apply. It is a compulsory attendance day for Year 7 and Year 8 students. Students from Year 9 through to Year 12 may choose to attend the sports.

The Inter School swimming team will be chosen from the results and times attained by students on the day. The carnival will consist of the 4 main swimming strokes but will also include some novelty events for those students who may prefer those.

If time permits, there may be an opportunity for some controlled “free” swimming at the end of the day. A barbeque will operate poolside, selling sausages and a small canteen is also available at the pool for drinks and confectionery.

Students are reminded of the need to be “SunSmart” as the dangers of sunburn are always imminent especially as a hot day is predicted. It would be a good idea to pack some personal protection to use in addition to the sunscreen that will be available on the day. Rash vests, long sleeved shirts and hats are also advised. Zinc cream in House colours is a great way to show support and stay protected.

After the Swimming team has been chosen, students will be invited to train before school at the Colchester Pool on Tuesdays and Thursdays leading up to the Interschool Sports to be held on Thursday 12th March at the Pines Pool Frankston.

Parents are very welcome to attend the carnival and your support would be much appreciated. First event should kick off close to 10:00am

Pat Egan
Families should have received by now their first Reminder Statement for the year. This is just to confirm what your 2015 school charges are as they stand at the moment. If you have any queries about your statement, please don't hesitate to contact the office. This was the first of about 8 you will receive throughout the year, which are to act as reminder of what school charges you have outstanding. Should you be experiencing financial difficulties, please don't hesitate to contact either our Business Manager, Vicki; or Finance Manager, Deb. There is always a solution which can be worked out and all information is treated as strictly confidential.

It was great to so many families take advantage of our 10% discount on charges paid in full before the end of the 2014 school year. Also to those who have used their Schoolkids Bonus, received in January, towards the educational expenses of their child/ren. Well done, at a time of the year when there are so many demands on our dollars.

SENIOR STUDENTS
A reminder to parents and guardians of senior students, especially those studying a Food Technology subject or Outdoor and Environmental Studies, that payment of the associated cost must be made prior to commencing the course of study. Failure to do so may result in a change of subject for the student. Should you be experiencing financial difficulties, don't hesitate to come and see us. There are payment options out there. The same applies to those who have students studying a VET subject. Payments for VET should have been finalized by now, unless other arrangements have been made.

INSURANCE

STUDENT ACCIDENT INSURANCE REMINDER.
Several years ago the School Council of Rosebud Secondary College voted to cease a whole-of-school student accident policy that had been in place for many years. Parents/guardians of students, who do not have student accident insurance, are responsible for paying the cost of medical treatment for injured students, including the cost of ambulance attendance/transport and any other transport costs. There are commercial insurance companies who offer student insurance policies to families who wish to take out a student accident policy.

PERSONAL PROPERTY INSURANCE REMINDER.
This article is also to remind students, parents/guardians and staff that DET does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.
THE SOUTHERN PENINSULA ARTS CENTRE
PROUDLY PRESENTS

FRANK YAMMA
an intimate solo show

Frank Yamma is a traditional Pitjantjatjara man from Australia’s central desert. An extraordinary songwriter and an exceptional guitarist, Frank Yamma also has an incredible voice; rich, deep and resonant.

Regarded by many as one of Australia’s most important Indigenous Songwriters, Yamma’s brutally honest tales of alcohol abuse, cultural degradation, respect for the old law and the importance of country are spine tingling. His ability to cross cultural and musical boundaries constantly sets new standards through his music.

SPAC is delighted to present Frank Yamma for a second time as he returns to Rosebud in an intimate evening of song and storytelling.

This event is proudly supporting the CROSSCOUNTRY EDUCATION FOUNDATION (CCE). CCE is an indigenous education program providing opportunities and raising cultural awareness across Australia. More information on CCE can be found at www.crosscountryeducation.com.au

HANDS ON LEARNING IS BACK FOR 2015!

Most of our students from last year have been keen to return and we are also accepting new students from both Year 8 and 9, if you are interested, contact your Year level co-ordinator.

This year is going to be a busy year for the HOL team, we have a huge range of projects to complete, starting with stage one of the SPAC garden, working at the Tootgarook wetlands and completing a few jobs in the HOL shed.

We have had a great range of tools donated by Bosch. They were incredibly generous and we now have Cordless drills, a hammer drill, jigsaw, sanders and an impact wrench. This has allowed us to expand the types of projects we can take on, and the students are currently being trained in the proper use of these tools.
